About the Project

This project is located in the coastal town of Esentepe in North Cyprus. The whole complex consists of 720 units for sale, the available units are studio garden apartments, studio penthouse apartments, one-bedroom garden apartments, two-bedroom garden apartments, two-bedroom loft penthouse apartments and 4 bedroom villas.

This property complex will have 3 different phases. It will have a total of 8 very large communal pools stretching all the way around the units, therefore every property will have direct access to a pool. All the properties in phase one will have their own private pools right outside the terrace.
