About the Project

A new living concept is taking shape in Esentepe — a thoughtfully planned residential area set in the heart of nature, just minutes from a supermarket, pharmacy, and the beach and marina. Designed to offer a lifestyle of comfort, tranquility, and recreation, this upcoming phase blends harmoniously with the surrounding sea and mountain landscape.

The architecture prioritizes environmentally friendly materials and sustainable construction methods, aiming to create a seamless connection with nature. Every detail has been carefully considered to support a high-quality life in a calm, scenic environment.

This new phase marks a step forward in green living — where peace of mind and eco-conscious design come together for a truly refreshing way of life.
