# About the Project

## Your Dream Escape with Peacefulness

Experience the legendary beauty and tranquillity of the world-famous coastal coves and mountain peaks with this exclusive resort, occupying a stunning, serene perch amongst the lush pine forests Kyrenia Mountain's base.

With your relaxation and rejuvenation as its focus, this is a wellness resort like you've never experienced it.

Sparkling pools with waterfalls and the gardens' tropical foliage create an authentic Thai jungle atmosphere, providing the perfect backdrop while you lay back and unwind in your own cabana.

Indulge in your favourite treatment, stroll through the gardens and soak up glorious Mediterranean sun with a true Thai flavour and dine at the gorgeous poolside restaurant, all before heading back to your room and enjoying a peaceful evening in your comfortable slice of Phuket Paradise.

A number of modern accommodation options are available, from spacious single-floor apartments complete with a terrace, all the way up to your own deluxe townhouse with a private pool and rooftop patio.

Beyond the resort's boundary, the area's unmatched beauty just begs to be explored – with the surrounding forests and hiking paths just minutes away. And of course, no Phuket or Kyrenian getaway would be complete without a dip in the crystal clear waters of the nearby beaches – which are always just a short stroll from your room.

Based near Esentepe, the resort is also convenient to supermarkets, a pharmacy, and the locals' favourite dining spots. Just 45 minutes from Ercan International Airport, it's never been easier to access your dream escape.
