About the Project

Seafront İskele draws attention with its proximity to Long Beach, Salamis Ancient City, picnic areas, restaurants with local flavours. The smell of the sea and the peace of nature is going to accompany your nature walks at Seafront İskele!

İskele, where the project is located, is a region that is already the favourite of local and foreign investors as well as tourists. At the same time, it is shown as the most suitable region for investment in the world according to the research conducted by the world-famous Forbes magazine with its demographic structure consisting of different nations, its sea and its proximity to many touristic areas on the island.

Inspired by the perfect nature and landscape of İskele, the project is only 100 metres from the sea. It is located in a perfect location where you can feel the beach under your feet at any time you want.
